April 2016

Dear Applicant

Operations Officer (x2) Recruitment

Thank you for your interest in our Association. Crown Simmons Housing was formed on 1st August 2014 following a merger between Rosemary Simmons Memorial Housing Association and Crown Housing Association. We are a small, not-for-profit housing association based in Esher, Surrey and have approximately 800 mixed-tenure homes in management and development across Surrey, Sussex and south west London.

This is an exciting time for our organisation as we look to further extend our range of services and develop more good quality, affordable homes. As part of realising our ambitions we are looking to recruit 2 Operations Officers to join our Customer Services Team who are committed to providing excellent service to our customers, suppliers and other stakeholders.

As part of the Customer Services Team you will provide a high quality first point of contact for all our customers and other callers contacting the Association, dealing with a broad range of housing management, leasehold management, finance and repairs enquiries. You will be assisting colleagues in providing an efficient and responsive service to customers and suppliers, providing administrative support and creating and maintaining records as required. You will report to the Core Operations Manager.

Whilst housing knowledge and experience would be an advantage, they are not essential as training will be provided. Most important of all we are seeking someone with real enthusiasm and drive, a team player who is well organised, able to think on their feet and has excellent people skills.

You will also be able to get more information about our work, including the ability to download our 2015 annual report, from our website www.crownsimmons.org.uk

Many thanks for your interest in Crown Simmons. We look forward to receiving your application.

Yours faithfully,

A handwritten signature in black ink that reads "E Solomons".

Customer Services Director

About Crown Simmons

Crown Simmons Housing was formed by the merger of Rosemary Simmons Memorial Housing Association and Crown Housing Association on 1 August 2014.

Crown Simmons Housing is the Trading Name for Rosemary Simmons Memorial Housing Association which is a charitable industrial and provident society registered under the Co-operative & Community Benefits Societies Act 2014 (Soc no.IP15355R) and registered as a housing association by the Homes and Communities Agency (no.LH1026).

We own and manage approximately 800 properties across parts of Surrey, London and the South coast. A key driver for the merger was to offer enhanced services for residents, including a specialist team for older peoples' housing, as well as the capacity to develop and acquire around new homes over the next 5 years.

We have a voluntary Board of Management which meets at least five times a year. There are two of committees which meet to consider issues in more detail: Governance & Remuneration and Audit & Risk.

In recent years we have been successful in receiving funding from the Government, via the Homes & Communities Agency, as well as from our local authority partners, to build a number of new homes.

We supplemented grant funding with private borrowing and self-funding from our reserves and completed 53 new homes between 2012 and 2014 in Thames Ditton, Esher, Byfleet,

Guildford and Egham.

We are members of the Wayfarer development consortium which comprises a number of large and small housing associations based in the South East. Wayfarer acts as the conduit for our development funding from the Government.

Where are our properties?

Crown Simmons has properties in the boroughs of Elmbridge, Guildford, Runnymede, Kingston-upon-Thames, Islington, Sutton and Greenwich. FHT has properties in the Brighton & Hove, Worthing, Woking and Adur. We also manage sheltered housing for a charity in Barnes and general need housing for another charity in Weybridge.

Most new residents are referred to us by local authorities, but we also hold a waiting list for sheltered housing applicants.

How many staff?

Crown Simmons employs 20 staff, the majority are based in our brand new Esher office and some at our seven sheltered housing schemes. Our Leadership Team comprises a Customer Services Director and Finance & Resources Director reporting to the Chief Executive. We are a small organisation and work very closely together.

Our Mission

To develop a range of homes and services for the benefit of lower to middle income people who are unable to access housing through the normal market process

Our Vision

To be a top performer amongst housing associations in our area of operation with a strong reputation for innovation, delivery, value for money and excellent services for customers

In September 2014 the Board approved a Corporate Plan to develop a framework for the work of Crown Simmons Housing through to 2016; it will be reviewed this year.

The process for putting the plan together involves staff and the board setting the vision for what we want to achieve. To help us realise our vision we identified the following overall objectives:

- Delivering excellent services
- Financial viability & efficiency
- Achieving growth in homes & services
- Investing in homes through active asset management
- Becoming a stronger organisation (governance and people objectives)
